A GREAT EXPERIENCE

Enjoy your learning experience with weekends in Chandigarh during your Hands-on Live Patient Clinical Implant Course.

We guarantee you will be able to place implants safely and confidently!

CLINICAL DENTAL IMPLANT COURSE-NOT JUST A THEORY COURSE

Rather than a continuous theory based training your clinical dental implant training will take place on weekends for a month.

The HANDS-ON nature of this course, master speakers and LIVE PATIENTS means you'll confidently be able to place dental implants at the end of the your training.

THE COURSE THAT PAYS FOR ITSELF

Earn while you learn by utilising our mentorship. Bring your patients to our centre or have one of your mentors come to you and start making money from implants before the course has ended.

ONE DENTAL IMPLANT PROVIDED

There is no extra cost for implants. You learn to place implant in a stress free Clinical environment.
